

## Whirlpool® Duet® Steam Front Load Laundry Pair

For those who demand the very best for their fabrics, Whirlpool® brand offers a whole new way to care for laundry, from start to finish, with the pure power of steam.

The new Whirlpool® Duet® Steam Washer naturally steams out tough stains from grass to grease without pre-treating.

The new Whirlpool® Duet® Steam Dryer – an industry first! Using pioneering technology to refresh fabrics and reduce odours at the touch of a button, clothes are revitalized and ready-to-wear in minutes. The new Whirlpool® Duet® Steam Dryer sprays a fine mist of steam onto the clothes and when combined with heated air, the steam gently penetrates fabrics to reduce odours and relax wrinkles.

No manual water filling required! The Duet® Steam Dryer is connected directly to the same water source as the washer for automatic steaming on demand.

An innovative suspension system minimizes noise and vibration, so that this laundry pair can be installed virtually anywhere.

### ***Whirlpool® Duet® Steam Washer***
